

# JMO ESCALATION PATHWAY

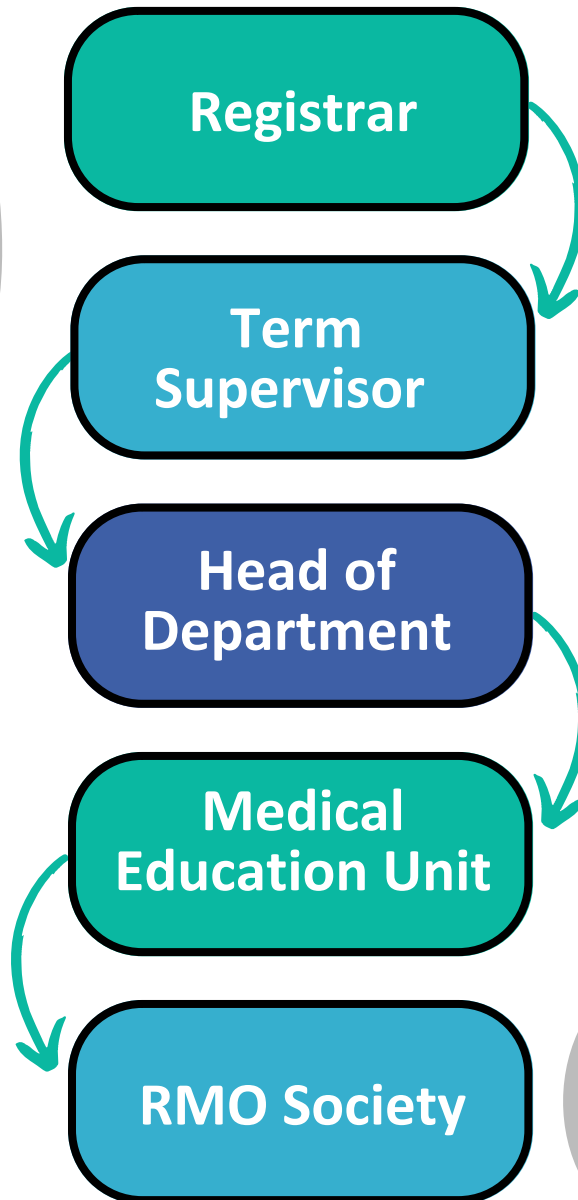

Postgraduate Medical Council  
of Western Australia

My concern relates to the structure, content and delivery of the training program, support for prevocational doctors, monitoring, evaluation, continuous improvement and governance of the training program (as outlined in the [Australian Medical Council National Standards for prevocational training programs and terms](#)).

STEP 1

Where  
can I go  
for help?

AMC Standards

Still no  
progress?

STEP 2

Reach out to your health site JMO Forum representative, unsure who they are? email [PMCWA.JMOF@health.wa.gov.au](mailto:PMCWA.JMOF@health.wa.gov.au), and provide details of:

- Your concern (who, what, when and how?)
- What you have already done/tried to resolve your concern (including who you have contacted from the above list).

Your JMO Forum representative will confidentially raise your concerns at the next JMO Forum meeting - or if necessary - out of session.
